

CANADIAN SARCOIDOSIS ORGANIZATION

Annual Memorial Golf Tournament

Friday August 19th, 2022 - The Links at Glen Eagles Golf Course,
Cochrane, AB

The Canadian Sarcoidosis Organization is pleased to announce our "Give Sarcoidosis the Birdie!" Annual Memorial Golf Tournament that will be held on Friday August 19th, 2022. This is our 10th Anniversary and we are again returning to the Links of Glen Eagles Golf Course in Cochrane, AB. Please join us for a fantastic day of golf, silent auction, awards and dinner fun.

The Canadian Sarcoidosis Organization is a registered Non-Profit Organization in Canada dedicated to raising funds for research and providing awareness and support to those affected with Sarcoidosis. Our Organization is run entirely by volunteers working together to create and maintain our website, publications and fund raising events. Your participation in the Golf tournament as a sponsor, silent auction provider, player or volunteer will help us aid patients and researchers in Canada to raise awareness and fund research projects.

We cannot do it alone, we need your support and we offer recognition for your company's support on our website, media releases and at the event itself.

Sarcoidosis is an inflammatory disease which can affect any organ or system in the body regardless of race, age or sex. It causes the body's immune system to over-react, forming groups of cells that attach to other tissues and organs in the body affecting normal function. The cause of Sarcoidosis, whether environmental, viral, bacterial or fungal is still unknown. However, it is not contagious and can often occur with little or no warning. Medications can help slow the progression and help reduce inflammation but they are by no means a cure and will not reverse pre-existing damage caused by granulomous scarring.

We are excited to welcome all new participants and send a "Huge Thank You" to all those who have previously participated and contributed to this exciting fund raising event.

Attached with this package is a registration form for the Golf tournament, tournament poster and opportunities for sponsorship or donations in kind for the tournament.

If you have any additional questions please reach us through one of the following contacts:

Sponsors and Donations for the "Give Sarcoidosis the Birdie!" Annual Memorial Golf Tournament

Hello,

We write to ask you to support our organization this year with a donation to our annual memorial golf tournament on Friday August 19, 2022. Each year, our organization hosts the tournament to raise funds and awareness for Sarcoidosis research in association with the University of Calgary, Cummings School of Medicine. Money raised through our annual tournament is used to support the new Bronchoscopy Suite that is dedicated to research and treatment of Sarcoidosis. Without generous donations from individuals or corporations like you, this would not be possible. Donations help sustain our tournament and organization to benefit the Sarcoidosis community by directly funding research projects focused on treatment and a cure for this disease.

We are counting on your support. There are many options for donation like hole sponsorships, tournament sponsor, hole prizes, team prizes, silent auction items, etc. Remember also that your gift may be tax-deductible!

Please feel free to contact us directly with any suggestions or possible donations you may be able to provide. Your donation will be recognized in our golf program at the tournament and on our website throughout the year following the tournament (with your permission).

Thank you in advance for your support!

Sincerely,

Canadian Sarcoidosis Organization
